ODXG 2015:

At the 2015 AGM it was determined that ODXG Inc would become un-incorporated. The club will continue without the administrative overhead of incorporation and members will collaborate regarding organising and supporting DX-peditions.

ODXG no longer operates a bank account or makes direct donations to DX-peditions.

However, members will individually continue to support DX-peditions.

ODXG Mission Statement:

ODXG is committed to the following:

- Promoting excellence in amateur radio operation and procedures
- Organising, promoting and assisting with DXpeditions
- Providing DX news to members
- Provision of an on-line log search facility for DXpeditions
- Introducing people to the fun and excitement of chasing DX and participating in DXpeditions
